R/E Your Employee Tony

To Whom it May Concern;

The Board of Directors would like to thank you for the nice job you did for our district. Tony was extremely on top of things. He was fast to address complaints before they became problems. We had many customers praising him for the way he handled the project. As Board members we found him to be responsive to our concerns and reacted in a way to compliment your business. Should we have to opportunity to use your services we would definitely request Tony on the job.

Sincerely
